culture. Not only does this make good business sense—helping your company to better understand colleagues, clients, and customers around the world—it also makes the workplace a more interesting and personally enriching environment for everyone.

5 Strategies for Promoting Diversity in the Workplace **Hult ...**

Accommodations are sometimes referred to as “productivity enhancers”. Reasonable accommodations should not be viewed as “special treatment” and they often benefit all employees. For example, facility enhancements such as ramps, accessible restrooms, and ergonomic workstations benefit more than just employees with disabilities.
