The cases in this book are very thought-provoking and help pastoral care students get into the thick of ethical issues. Each case study has two perspectives from different religions, such as Buddhism and Christianity, which reveal both how each religion approaches ethical decision-making and how pastoral care providers can remain open to see the values and benefits of different religions.

Ethics And World Religions Crosscultural Case Studies

Religious ethics are the moral principles that guide religions and that set the standard for what is and isn't acceptable behavior. Surprisingly similar from one religion to the next, these fundamental principles flow from the core beliefs and ancient wisdom of religion, as well as its teachers and traditions. Virtues are standards for ethical, moral [...]
