Euthanasia and religion : a survey of the attitudes of ...

Euthanasia, also known as "mercy killing," is defined as an "intentional ending of the patient's life by a physician, usually by lethal injection" (Religion Facts). A difference must be made between euthanasia and physician-assisted suicide, and between active vs. passive euthanasia.

Euthanasia and Religion - 840 Words | 123 Help Me

Survey results may be influenced by the way in which the questions about euthanasia and the possible answers are phrased. 9 A classical study by Sullivan and colleagues showed that two questions with essentially the same cues could trigger different respondent inclinations and attitudes, producing sometimes remarkably different answers. 10

Surveys on attitudes towards legalisation of euthanasia ...

Opinions regarding euthanasia also tend to vary by religion, sect, and denomination, with some liberal groups favoring euthanasia and others opposing it (Burdette, Hill, & Moulton, 2005). This article seeks to add to the literature by investigating American approval toward euthanasia by considering whether the current attitudes are a result of cohort effects, including secularization.
