Insurance In Elizabethan England The

English insurance came into being almost entirely during the Elizabethan period. However, the Great Fire of 1666 consumed most of London's mercantile document, and therefore little is known about early English insurance. Using new archival material, this study provides the first in-depth analysis of early English insurance.

The first chapters of the book offer a thorough contextualization of maritime insurance in fifteenth- and sixteenth-century England. The author shows how in the course of the later 1400s and early 1500s the Genoese style of writing insurance policies was eclipsed by a Florentine inspired approach, particularly a Florentine insurance contract.
