Put the days of wondering how to write a journal article behind you. Refresh your skills and review steps to be ready for your academic article writing.

How to Write a Successful Journal Article

If a journal article has a DOI, include the DOI in the reference. Always include the issue number for a journal article. If the journal article does not have a DOI and is from an academic research database, end the reference after the page range (for an explanation of why, see the database information page). The reference in this case is the same as for a print journal article.
