Home - Adult & Child Health

ACA is a 12 Step / 12 Tradition program of recovery dedicated to people who were raised in dysfunctional families. ACA does not seek to assign blame to parents or caretakers, but we seek to understand the reality of how family dysfunctions affected us as children and still affects our adult behavior today.

Parenting adult children: it's one of the most difficult—and yet least discussed—life transitions facing today's boomers. Toddler tantrums and teen hormones were no picnic, but there is an abundance of resources available for those stages of parenting—not so much for how to parent adult children, though.

Adult Children | The Guide to Parenting Adult Children

New York law permits you to evict an adult child under two separate procedures, depending on whether you collect rent. If an adult child pays rent, New York permits a summary eviction proceeding as for any other tenant. If the child doesn't pay rent, you bring an ejectment action.
